2	Depends on how it's done. I don't want to affect the park aesthetic too much	2/20/2020 9:02 AM
3	Druid hills is a beautiful historic park and a parking lot will undermine it	2/20/2020 7:23 AM
4	That is too many spaces. Please reduce.	2/18/2020 6:36 PM
5	i don't want it to cut into the park space	2/16/2020 6:05 PM
6	Across the street is the tennis courts...are you taking that away	2/16/2020 2:07 PM
7	Need more green space	2/15/2020 8:15 PM
8	More cars means more dangerous for pedestrians. We should keep the park people friendly	2/15/2020 3:57 PM
9	Not sure. I don't want to lose nice green space, but if it's already paved the. Maybe	2/15/2020 3:03 PM
10	I strongly disapprove of adding parking spaces. This is backwards and Baltimore city should strive to take progressive actions by increasing public transit and bike lanes to increase accessibility and be environmentally sustainable. As someone who drives, I do NOT support the creation of additional parking.	2/15/2020 11:15 AM

#	RESPONSES	DATE
1	Taking up valuable public park space to make room for a parking lot is fundamentally backwards. That space has value year round-- not just during the months that the pool is open.	2/21/2020 9:54 AM
2	NO PARKING LOT!!!!!!!!!!!!!!!!!!!!	2/21/2020 6:34 AM
3	This survey is horrendously designed.	2/21/2020 6:33 AM
4	This is disingenuous and extremely disappointing.	2/21/2020 6:32 AM
5	The green space in the center of a city is so precious. Please don't pave it over. Rather try providing public transportation.	2/20/2020 6:00 PM
6	I support a shuttle bus for the park and changes to the existing on street parking to increase capacity	2/20/2020 5:10 PM
7	There has always been plenty of parking during pool hours along the drive. The only time I have noticed crowding was during code red days.	2/20/2020 2:45 PM
8	Do not remove green space from the park. There is plenty of street parking available, it's not asking a lot for attendees to walk 4 minutes from their car to the pool entrance.	2/20/2020 10:02 AM
9	Between the underused city lot already there, street parking that could be modified to add capacity, underused lots nearby, and shuttles/public transit, there's no need to add a parking lot. The city should spend the money instead on adding public transit to the pool and park; it's an embarrassment that there aren't bus stops in the park already.	2/20/2020 9:44 AM
10	If you increase parking, then traffic will also increase and the park does not need increased traffic at its east entrance along the reservoir.	2/20/2020 9:19 AM
11	There are surely additional solutions to building a new parking on historic land. Consider backing in parking or use overflow parking at the boy scout location down the street.	2/20/2020 9:13 AM
12	Surface parking lots hurt public parks	2/20/2020 9:05 AM
13	Building a permanent parking lot for a pool that is only open three months a year and will only need the lot for peak periods on the weekends is wrong. By the most optimistic calculation the lot would be in use thirty days in the year. The other three hundred and thirty five it would sit empty next to the equally underutilized tennis courts.	2/20/2020 9:01 AM
14	Druid Hill Park is such a wonderful place! I'm very excited about the pool expansion, but I do not feel we need additional parking. Instead, I think it is important to keep the land in question as green space and increase public transit options(mainly, bus routes). Ideally, I want it to be easier to take the bus to the pool than to drive.	2/20/2020 8:57 AM
15	I feel that there are many alternative solutions to driving to the pool. I strongly feel that the creation of another parking lot will only increase traffic congestion within Druid Hill Park.	2/20/2020 8:48 AM
16	We do not need more impervious surfaces in a beautiful historical park. There are alternatives like creating diagonal parking etc.	2/20/2020 8:47 AM
17	I support more ways to make walking and biking safer—there is way to enter the park without navigating a lot of traffic or having a decent sidewalk. I would also like to see more convenient public transportation that makes driving to the park not be the most convenient option	2/20/2020 8:46 AM
18	You should identify the organization conducting the survey as well as how it will be used and shared at the beginning of your survey.	2/20/2020 8:43 AM
19	MTA should have a bus line that runs through the park and a bus stop at the new facility.	2/20/2020 8:28 AM
20	There is already too much car traffic in Druid Hill Park. This is supposed to be a green space for people to come and enjoy, be it biking, exercising, gathering with friends. I don't think taking away green space to create more parking for a facility that is not even open year round is a good idea. Maybe improving public transportation so the buses stop close to the pool is a better idea.	2/20/2020 8:03 AM
21	Keep the green space	2/20/2020 7:48 AM
22	Druid Hill park is one of my favorite places to run and spend time in nature. I hope that the trails and natural spaces are prioritized in any new development	2/20/2020 7:46 AM

Druid Hill Park Pool Membership Survey Questions

23	I do not support paving over our limited historic park spaces in this city to add a parking lot that will only be seasonally used. It's environmentally irresponsible and short sighted.	2/20/2020 7:43 AM
24	Another parking lot is not necessary to serve the local community. We prefer green space over concrete lots. There is plenty of parking at Druid Hill and it does not need to be added to.	2/20/2020 7:41 AM
25	Don't pave our park.	2/20/2020 7:23 AM
26	The amount of car traffic encouraged to treat through the park already is a disgrace. Make the bus go to the park. Have shuttles being people from existing, underutilized nearby parking. Don't pave the park.	2/20/2020 7:23 AM
27	I support increasing safe methods of walking, biking, and using transit to get into the park. Build a pedestrian bridge from reservoir hill over Gwynns Falls, make more foot paths, get busses or a shuttle to go through the park.	2/20/2020 7:13 AM
28	The bathroom changing areas and a budget to keep them clean need to be your top priority.	2/19/2020 11:18 PM
29	focus should be on creating safe ways for people to access the pool from all over without a car. the proposed footbridge from Gwynns Falls Parkway to the Conservatory would be a great place to start.	2/19/2020 7:17 PM
30	This is really a ridiculous idea, don't pave over more parkland.	2/19/2020 6:33 PM
31	It would be nice to be able to bring things into the pool other than a towel; especially if you have small children.	2/18/2020 4:11 PM
32	The impact on green space has already be hurt by the water works. Bike more might have solutions or a use of the parking lot of the scouts.	2/18/2020 2:54 PM
33	I love this pool and this pool community! I love the Fluid Movement shows!	2/18/2020 2:11 PM
34	It's a matter of access. I walk with a cane and need the lot close to the pool	2/18/2020 1:08 PM
35	People will not want to walk more than 100 yards to the pool from their car. I support additional parking if this increases citizen engagement with the pool and the park in general.	2/18/2020 1:02 PM
36	I use Druid Hill Park year-round and am there nearly daily in the summer. The park is certainly underutilized for being such a great amenity, but lack of parking is in no way the limiting factor. There is plenty of existing parking within the park and nearby lots could be designated for overflow during peak times, with accessible spots reserved nearby for those who cannot easily travel by foot. Given the reservoir construction and the removal of safe walking paths in several areas, increasing car traffic flow will only increase danger for walkers and bikers. We need to develop creative solutions that will encourage more park users to come to and travel within the park by ways other than car. As a resident of Reservoir Hill, immediately adjacent to the park, it's far preferable to walk or bike, but it is often scary to have to deal with cars/traffic in getting to and within the park.	2/18/2020 12:58 PM
37	I support a smaller lot. It seems like something more like 40 spaces would be sufficient. Also having bike racks to lock bikes/ strollers would be helpful.	2/18/2020 11:34 AM
38	Instead of getting rid of green space in the park and spending millions making a parking lot we should improve connections to the park so that the surrounding neighborhoods can easily access it via walking, biking, or public transportation. Let's stop prioritizing only cars.	2/18/2020 11:28 AM
39	Please don't put in this parking at the expense of green area.	2/18/2020 11:26 AM
40	I frequent the park regularly and when the pool is NOT in session, which is MOST of the year, there are a lot of cars that loiter in the park. It does not make for a safe-feeling atmosphere. Another parking area is just another area for this type of behavior and at the cost of a nice treed area that is a nice buffer from the freeway. Parking is tight for 3 months. Unless the pool will retain a longer schedule (all-year would be amazing, but even May-October would be an improvement.) It's hot in Baltimore more than Memorial Day to Labor Day. No lot for 3 months.	2/18/2020 11:17 AM
41	My family and I are a frequent park users. The construction of a parking lot seems very wasteful and unnecessary - I'm strongly opposed. If additional parking is needed it seems that angled parking could be constructed that would be much less negatively impactful on the park itself. Alternative transportation options should be included that support walking, biking, and using public transit to and throughout the park.	2/18/2020 11:03 AM

Druid Hill Park Pool Membership Survey Questions

42	I would prefer better public transit options to, and around the park. Including a potential shuttle from Modawmin Mall	2/18/2020 9:02 AM
43	Please do not remove parkland for a parking lot. This money could be spent to plant new trees and maintain (prune!) existing trees for future generations. A parking lot does not help that legacy.	2/18/2020 1:59 AM
44	Our parks should be multi-modal, so they can accommodate more people without sacrificing green spaces.	2/17/2020 3:39 PM
45	I would like to be able to bring a bag with pool supplies, snacks and other items into the pool. It is a waste of water to constantly run the showers and they are never at the right temperature. Flags in the lap lanes would be useful along with a clock or timer.	2/16/2020 6:05 PM
46	Was in focus group 2 years ago...never received any feedback; rumor has it that pool will be worked on this summer...makes no sense...brings income ...start teardown right after Labor day	2/16/2020 2:07 PM
47	The city should cater to those residents who don't have cars and rely on public transit, and not just those who drive. Our public pools in particular have a deplorable history of discrimination, and this is just one more form of separating people. We need to be thinking in a long term, sustainable way when planning these projects, and parking lots at the expense of green space and transit is not how Baltimore should focus its resources.	2/16/2020 7:40 AM
48	I support a shuttle if more transport is needed. Do not pave over a public park!	2/16/2020 5:59 AM
49	The questions presented here lead one to believe an expanded parking lot is a foregone conclusion.	2/16/2020 12:03 AM
50	Police the area	2/15/2020 10:43 PM
51	Create more transit options.	2/15/2020 8:26 PM
52	This is another stupid idea from city leaders who are out of touch...I'm sick of you morons wasting my tax dollars	2/15/2020 8:15 PM
53	Don't pave more of Druid Hill Park	2/15/2020 7:45 PM
54	I drove because I have to - I would prefer to ride our bikes or take the bus to the pool.	2/15/2020 4:24 PM
55	I support improved connections to the park for pedestrians, cyclists, and transit riders so fewer people feel forced to drive there.	2/15/2020 4:23 PM
56	We need fewer cars in Druid Hill Park. I think a better solution would be to support better transit options to get to the park and the zoo.	2/15/2020 4:05 PM
57	Please provide more parking!!! It's a nightmare to get there as it is.	2/15/2020 3:59 PM
58	We should encourage non-car traffic to the park. The best way to do this is to improve infrastructure for alternatives such as bikes, walking, scooters, public transport. NO MORE PARKING LOTS!!!!	2/15/2020 3:57 PM
59	There could be more bike parking.	2/15/2020 3:09 PM
60	There's already enough parking. Don't pave over more land!	2/15/2020 3:06 PM
61	I love the pool! Especially adult swim hours	2/15/2020 3:03 PM
62	Adding parking will drop quality of life, safety, and health. This city has more than enough parking as it is.	2/15/2020 2:46 PM
63	Car culture is terrible and we should encourage more mass transit options.	2/15/2020 2:38 PM
64	Improve access for people who walk, bike, and take transit. We're don't need car parking.	2/15/2020 2:21 PM
65	Would support public transit that made it easier to bring 4 kids with me without walking too far. Or safer way to get to the Jones falls trail on bike with kids from Medfield. The cold spring bridge from poly to the trail is very unsafe for bikes and pedestrians, especially kids on bikes. It would be awesome to see that stretch get a dedicated bike/ped lane like the Big Jump. (Would benefit Poly / Western kids too!)	2/15/2020 1:39 PM
66	A new parking lot is a waste of space. Run a new bus route to the park instead.	2/15/2020 1:35 PM

Druid Hill Park Pool Membership Survey Questions

67	Take the money you were going to use on paving (and maintaining) a parking lot and run the 22 and Red buses more frequently. This will massively increase access to the pool.	2/15/2020 1:29 PM
68	most of the people parked around the pool are just sitting in their cars and not using the pool usually. like people who play tennis etc.	2/15/2020 1:05 PM
69	Making the pool friendlier for people who use buses would be great.	2/15/2020 12:50 PM
70	Cars don't belong in parks in the first place, and we should be building resources for people not cars, please do not approve this project	2/15/2020 12:44 PM
71	I guess I support a new lot if the pool is expanding? Honestly I'm not confident that the pool update is actually going to happen, and the pool already gets a ton of use. I know this isn't what you're asking but I'd say leave it all alone so we can keep using it as-is.	2/15/2020 12:35 PM
72	keep the park as open space and don't pave it for parking please	2/15/2020 12:25 PM
73	In order to serve the community, improved access for walkable residents should be the priority, not paving a green space.	2/15/2020 12:04 PM
74	This is a ridiculous set of questions designed to seek the answers rec and parks wants. If there was easier transit access to the park I would take it. Please explore options other than making the park filled with more cars.	2/15/2020 12:00 PM
75	Would be nice if there was a bus stop.	2/15/2020 11:36 AM
76	We need traffic calming in the park to slow down the dangerous drivers that use it as a cut through	2/15/2020 11:13 AM
77	don't building parking for Baltimore in 2020, C'mon now	2/15/2020 10:47 AM
78	There is already too much traffic in Druid Hill Park. It is a great place in our city and should not be treated like a cut through. There is plenty of public transit around the park and connecting those would make it more accessible for all.	2/15/2020 10:26 AM
79	make it more bus friendly as well, maybe add a summer charm city circulator	2/15/2020 10:22 AM
80	I believe the existing parking that surrounds the area should be used first	2/15/2020 10:10 AM
81	Public transit has limited access to Druid Hill Park, surely if transit options were improved the perceived need for additional parking would be greatly decreased. Please think of the people who use the park, and not cater to this city's car culture that is killing its pedestrians.	2/15/2020 10:05 AM
82	Druid hill park is one of the best green spaces in the city. Please do not pave over more of it, and increase traffic. Work with the MTA to get a bus route through the park, but no new parking!	2/15/2020 9:31 AM
83	I have loved using this pool over the last several years. I look forward to a new pool building with lockers and bathrooms. That has been the main drawback to this facility, in my opinion.	2/15/2020 8:56 AM
84	I have been a cast member of the Fluid Movement shows over several years. The addition of a parking lot in the area mentioned would allow for better traffic flow upon the street as cars will not have to stop to allow for other cars to parallel park.	2/15/2020 8:48 AM
85	This survey should include other options rather than an either/or for additional parking or not. You should also disclose what will be removed to increase the parking. I do not support the increase in parking. There are many ways to increase accessibility, parking is just one possible option.	2/15/2020 8:41 AM
86	Do not pave over our park for cars. Make biking and bus travel easier.	2/15/2020 8:24 AM
87	and nature. Cars and parking are a privilege, not a right	2/15/2020 8:00 AM
88	I love the "country club" membership. So nice to swim in morning when still quiet. Love the kids but...	2/15/2020 7:57 AM
89	Instead of building more parking, please seriously develop a plan to make the park more accessible to those who walk, bike, and take public transport.	2/15/2020 7:34 AM
90	Please do not create the parking lot. Improve public transportation we need to keep all the green space we have	2/15/2020 7:12 AM
91	I've been very disappointed with the way this parking lot proposal has been handled. Even this	2/15/2020 6:52 AM

Druid Hill Park Pool Membership Survey Questions

survey seems biased to encourage answers that support the parking lot! What is the environmental impact of reducing groundwater recharge space by potentially adding impervious surface cover? What about the safety of walkers and wheelchair users? What about access to the park for people who don't have cars?

92	It's sad that y'all are even considering using millions of dollars to install a parking lot. We should use this money to make improvements to public transportation.	2/14/2020 11:52 PM
93	I welcome the new project, but will not be happy if everyone is not able to access.	2/14/2020 11:10 PM
94	There is ample parking along the main roads through Druid Hill Park, there is no need to built another parking lot.	2/14/2020 9:32 PM
95	The pool and area need to be cleaner!!!	2/14/2020 9:21 PM
96	There really is no reason to pave over more area of the park for a parking lot. We need more grass and trees, and safe areas for people to walk and bike in Druid Hill Park!	2/14/2020 9:18 PM
97	This is such a biased poll. Why didn't you ask whether people would support transit options? Very disappointed to see the choices you made here. I usually bike to the pool, but sometimes drive depending on what's going on that day. Parking has not been a problem. If there were more cars entering and exiting the park, especially in a parking lot, I would feel a lot less safe biking to the pool.	2/14/2020 9:15 PM
98	Instead of a bigger parking lot, there should be better access via public transit to the pool. The pool should not be just for those who can afford a car.	2/14/2020 9:05 PM
99	I have been a "country club" member for 4 years. The very best thing ever in this city. Please please don't change it.	2/14/2020 8:55 PM
100	I have attended the pool since my childhood and am now a charter member of the DHP Country Club. I use the facility to swim laps in the mornings. The pool is a real treasure.	2/14/2020 8:53 PM
101	A new parking lot is absolutely unnecessary.	2/14/2020 8:50 PM
102	More parking means more cars and that will make it more dangerous for my kids, who love to run around the park. Are there any alternatives to more parking? I have never seen a problem with the amount of parking	2/14/2020 8:23 PM
103	The pool and bathhouse needs improving but the basic features it has now are great and an enlarged facility is not appealing.	2/14/2020 8:20 PM
104	There is no need to add additional parking! It would be crazy Maximize the existing parking and Utilize the existing nearby spots	2/14/2020 8:13 PM
105	The parking lot is not needed. Move Rec and Parks vehicles to back of their building and use those spaces more efficient on weekends	2/14/2020 7:59 PM
106	Creating diagonal spaces instead of two sided parallel parking would provide more parking spaces without removing green space and trees. More handicap spaces and loading zones nearby would be good	2/14/2020 7:56 PM
107	So excited for the renovations!!! Good luck, and I can't wait to enjoy the new configuration!	2/14/2020 7:56 PM
108	My family loves Druid Hill pool. It's a lovely bike or walk from central Baltimore.	2/14/2020 7:32 PM
109	Patently absurd you'd pave green space and increase traffic in the park. Shame on you.	2/14/2020 7:24 PM
110	It's important to make the pool and park accessible without creating the chaos of more cars. If the parking lot of done in a strategic way, it would probably work.	2/14/2020 7:17 PM
111	Put in a bus line that hits Mondawmin, zoo, pool, eastern transit point. More traffic calming ped/bike options in neighborhood around park.	2/14/2020 7:10 PM
112	There seems to be sufficient parking in the park. However, if studies have shown that the pool renovation, and the reservoir renovation, will bring more visitors to the park than current parking can support, then perhaps parking around the tennis courts would be acceptable.	2/14/2020 7:02 PM
113	Make an adult swim section..the teens are obnoxious and curse..you have a baby pool, a dive pool and a lap pool..have an adult only pool/section.	2/14/2020 6:45 PM
114	I love the park because it is kept in a natural state. Parking is ugly, unnatural, and unnecessary	2/14/2020 6:42 PM

Druid Hill Park Pool Membership Survey Questions

and prioritizes out of area visitors over local residents. Please don't ruin our park with acres of pavement.

115	There are better options than paving over green space.	2/14/2020 6:38 PM
116	I love Druid Hill Park and the pool. I swim laps there approximately three times a week. I think park land should be kept as parkland. To date, Rec & Parks has done an excellent job incorporating athletic fields, play grounds, pavilions, and playgrounds into the park while maintaining its beauty. I hope that it will (or will be allowed to) continue to protect the parkland.	2/14/2020 6:35 PM
117	Don't put in a parking lot, you regressive schmucks	2/14/2020 6:32 PM
118	I live across from the park and use it nearly every day in the summer as do many of my neighbors. Please stop putting more asphalt in the park and making it easier to drive in/through. Please increase pedestrian and bike access for neighbors. Thank you!	2/14/2020 6:30 PM
119	Making this site transit accessible so people don't have to drive is the best solution - though in my experience parking is usually available anyhow. Loads of people who want to use the pool don't drive.	2/14/2020 6:28 PM
120	Love the park and the pool. It looks like you are keeping the "tank," which is great. Godspeed on the project. I hope you can finish it in time for summer 2021!	2/14/2020 6:25 PM
121	The pool is a great asset to the park and by all means should remain open.	2/14/2020 6:22 PM
122	more parking is not needed. it's a damn park, use the space for bikers and runners. please don't add a parking lot. the last things tax dollars need to be spent on.	2/14/2020 6:17 PM
123	I would like to know the plans for the pool. It already gets very crowded	2/14/2020 6:11 PM
124	Love the pool!	2/14/2020 6:10 PM
125	What are the alternatives to a parki pit? This is not a great survey because it fails to ask that	2/14/2020 6:08 PM
126	There is already a lot of parking in Druid hill park and surrounding neighborhoods. Lots of great ways to walk and bike.	2/14/2020 6:05 PM
127	I value park land much more than parking spots. A smart approach might be to increase alternative modes of transportation - buses & bike lanes (which do not exist on roads that lead to the park, e.g. Keswick Rd.)	2/14/2020 6:05 PM
128	Do NOT build parking and ruin the park	2/14/2020 6:01 PM
129	This pool has always been fantastic and I hate to see it changed. I enjoy the fact that it is surrounded by beautiful mature trees. For this reason I do not support a parking lot unless no trees would be sacrificed. Thank you to the wonderful staff at this pool. It brings joy to so many!	2/14/2020 6:00 PM
130	Building a additional paved lot in one of Baltimore's green spaces is ludicrous.	2/14/2020 5:54 PM
131	I definitely want to be able to bike or walk, but traveling with kids to the pool is just tough. You kind of need a car. Also, unless the pool intends to change its (inappropriate, since it's not city-wide) policies of not allowing possessions inside, i would prefer to have a place to lock them outside.	2/14/2020 5:54 PM
132	I'm angry that the go-to option for Rec & Parks to address increased attendance at the pool, a resource that is open only 3 months out of the year, is to pave over a portion of the park that surrounds tennis courts that people use all year round! What about our health? (I play tennis there.) There are so many other more affordable, less destructive ways to address the higher volume of attendees to the pool during the 3 months of the year that it is open. The streets north of the pool that are closed to vehicles could be opened to vehicles for parking. The bus stop that was previously in the 2900 block of Keswick could be put back into service. The parking lots at Stieff Silver could be rented for overflow parking (or maybe it could be a free service, as part of JHU's community outreach initiatives, ESPECIALLY because their two lots are COMPLETELY EMPTY on the weekends.) I am also angry and disappointed in Rec and Parks for the grossly insufficient community outreach. As in, there was NONE. As a constituent and an active user of the park, I am appalled by this, particularly because this agency has done tremendous community engagement for other projects, like Chick Webb Rec Center. Which demonstrates that R&P has both the capacity and the ability to communicate to citizens and engage in transparent dialogue and citizen-engaged planning about parks. Why does Druid Hill Park, as the jewel of our parks system, and the myriad of constituents who use it, not get this	2/14/2020 5:47 PM

Druid Hill Park Pool Membership Survey Questions

transparent treatment? One public meeting about this, planned only after getting rapped for not doing so before is insufficient. Also, didn't Rec and Parks learn their lesson about hiding plans from the community with the cell tower in Druid Hill Park? Honestly, I think there needs to be some serious overhaul in the way that Rec and Parks runs things. Bless the advocates who made this project public.

133	The tank should be left as is/as a swimming/diving pool with no slides. The swim lanes in the large pool need to be free from interference from slides or any other swim park activity (I thought I heard/saw that a water basketball wall would be at one end of the lanes). The swim lanes should go in the same direction as now. Country Club members are faithful and growing. These adults should be welcomed and respected in future plans for the pool.	2/14/2020 5:42 PM
134	Better ability to cross north avenue and druid lake drive via hike or walking would make driving less necessary.	2/14/2020 5:40 PM
135	I'm concerned about the rumors that state we will lose the use of the lap and tank pools. I'm not aware of any prior survey to gauge those of us that have swam at the Park pool sense we were kids. I'm 74 years old, and have swam at the pool for over 64 years. someone should have or could have asked for our thoughts, opinions and suggestions for a new Druid Hill Park Pool.	2/14/2020 5:40 PM
136	It's a park not a parking lot. Don't ruin it! Improve public transit instead	2/14/2020 5:39 PM
137	Give us a shuttle please, I'd rather see no cars in the park.	2/14/2020 5:37 PM
138	I do not support paving over a historical park to provide car access to a specific part of the park. There are plenty of spaces within druid hill to handle increased traffic to the park. Increased cars to the park will only make more car demand, and make the park less safe for children.	2/14/2020 5:35 PM
139	There is plenty of parking already and improving public transit would be a better use of the investment. With more concrete, exhaust, won't we be creating more heat issues that will impact everyone using the area for recreation? The grass and trees help keep that area cool and support an abundance of wildlife in the park.	2/14/2020 5:34 PM
140	I support anything geared toward keeping cars OUT of the park entirely and think \$10M is an incredibly high price tag for paving over green space.	2/14/2020 5:33 PM
141	We could use a bus line to access the pool.	2/14/2020 5:33 PM
142	More transit to the pool would be better. Can you have a shuttle to mondawmin?	2/14/2020 5:31 PM
143	Do not clear historic green space for cars! Make our public transit better and create safe walking/biking spaces! This survey contains leading questions that favor cars—shame on you.	2/14/2020 5:30 PM
144	What is this project looking like? Is there going to be a bigger pool built? Will it be open in time for the 2020 season?	2/14/2020 5:30 PM
145	Hoping the pool doesn't get too much bigger/ noisier	2/14/2020 5:25 PM
146	Please consider a shuttle from Mondawmin instead of a parking lot.	2/14/2020 5:20 PM
147	In absolutely no circumstance do I support cleaning trees and green space for additional parking in Druid Park. Please reconsider this poor use of public resources, both natural and financial	2/14/2020 5:19 PM
148	Excited about the new facility - I sincerely hope you will open it for people to rent again when it's done! We tried to rent a city pool for a family gathering this coming summer and I learned that the rental question was tied up in the legal team. I really hope this awesome community resource can be shared that way soon.	2/14/2020 5:18 PM
149	I swim in the morning as a "country club" And love the Druid Hill pool! I do wish the dressing room was a bit nicer but, other than that, no complaints!!	2/14/2020 5:13 PM
150	This survey is an inadequate tool to measure community response on the issue. It doesn't weigh the numerous other options for parking including creating angle in parking, using the service road, or utilizing vacant lots adjacent to the park. It's insulting this is the only community engagement surrounding communities have received.	2/14/2020 5:11 PM
151	I look forward to a renovated pool and locker rooms. Thank you	2/14/2020 5:10 PM
